November 12, 2015

Pastor Andrew Love and the New Hope Family Church had a charming morning celebration. Arael Rodriquez set up a beautiful offering table, and a small group met to read True Father's [1998 True Children's Day speech](#). They all shared about their need to create genuine love in their marriages and how these days are ripe for learning how to really embrace each other as God's children, not just church members. David Phelps have a great closing prayer and the group had a laughter-filled moment of cheers to close the ceremony.
