Decision America Tour '16 Rally in Annapolis

Tuesday, October 11th — Join the NHF Culture Impact Team as we visit with and “work” the Franklin Graham tomorrow, from noon to 1pm. Our goal is to gather 300 names and email addresses from attendees.

Rev. Franklin Graham is head of one of the largest Christian ministries in America and as you may know, is heir to and son of the very famous Rev. Billy Graham, who True Father indicated was of the several chosen American “John the Baptist” figures for the time of the Second Coming.

This is a 50 state rally tour for America to “pray, vote, and engage your community“ because as they have said, “America is in trouble.”

We will gather at the stage, at Lawyer’s Mall at the MD State House 100 State Circle at 10 am to organize. Over the next several years, in Maryland, we hope to gather names and contact info for up to 5,000 allies who share our values and world view. Not members of our church per se, but folks with whom we can make common cause on issues and shared concerns like religious freedom, supporting marriage, racial harmony, etc.

Please contact Jim Boothby if you can help gather names or just attend and listen. God bless you!
