

Blessing at a Catholic Church

Prague, Czech Republic, January 6, 2019

We were able to bless 10 couples during a Sunday mass at a Philippino-Czech church in Prague. Together with the priest, we held this event during a

normal Sunday mass – after the Eucharist. We offered the holy wine, the priest blessed them with his holy water, and they exchanged rings, like the Catholics do, and I was able to offer a blessing prayer in the end. After the Blessing, the priest continued his

mass and concluded in the usual Catholic way. For us it was interesting, because for the first time, we were able to conduct a Blessing event in such a way that would have seemed impossible before.
