Over 70 young people attended our online event called *Today's Ideological Trap* – Discovering the way ahead amidst the left-right controversy.

Mr. Bogdan Pammer, a 2<sup>nd</sup> Gen, gave a very passionate presentation followed by a group discussion and Q&A.

The importance of this lecture was to make students aware about what time we are living in, and how to see clearly in these confusing times.

To first time attendees, we introduced also the purpose of CARP and our various programs.
