

# CARP Europe and Middle East Platform for Internal Guidance

Martine Masner  
October 30, 2020

To support young members and advanced guests on the Europe and Middle East level, we organize once a month an online lecture.

On Friday, October 30, Mr. Giuseppe Cali from Italy gave a presentation on "Give me a lever and I'll lift the world" (How to make the impossible possible) followed by his personal testimony from the early days in European CARP.
