

National Ocean Challenge Program (NOCP) 2017: Spots still open!

Naria McGee and Branch Gaarder
May 12, 2017

Dear NOCP Alumni and Applicants,

We want to let you know that spots are still available to attend the 2017 National Ocean Challenge Program. If you or someone you know is interested or could benefit experiencing this unique, exciting fishing program in remote Alaska, share this email and sign up now!

An optional tour of mainland Alaska is also being offered after the end of each 10-day session in Kodiak. If interested, just let us know.

Thank you,

Branch and Naria

NOCP Co-Directors

NATIONAL OCEAN CHALLENGE PROGRAM 2017

Kodiak, Alaska

Join us this summer for National Ocean Challenge Program's 9th year! Through a 10 or 24-day introductory ocean experience, strengthen your connection with God, our True Parents and their vision for the ocean, and your own relationship with the ocean and our natural world while gaining maritime skills and deep-sea fishing experience.

July 6-15 10-Day Session

July 20-29 10-Day Session

July 6-29 24-Day Session

Space is limited. **SIGN UP NOW!**
