**FFWPU Kenya:** After the 7 days Divine Principle Workshop held in Mombasa town from 1st to 7th December 2014, another three (3) days Divine Principle workshop was successfully held for members of Matumbi PEFA Church at Matumbi Primary School in Kinango, Kwale County from 8th – 10th December 2014. Matumbi is a rural village about 60 km from Mombasa off Mariakani town along the Mombasa – Nairobi road. This was to ensure that the truth of the DP also reaches out to the people in remotest parts of the region.

Mr. J. Wainaina Mburu, Rev. Albanus Mwololo, Mr. Isaack N. Mwaura and Sister Colleta Nzaphile Mkalla worked together to make this workshop a success.

The workshop was attended by twelve participants including the Pastor (Anderson Charo Tsungu) and his wife.

The Pastor gave a moving testimony about what they had learnt during the 3 days especially on the Fall of man and the four types of sin. He called on all the members to deeply repent for their past life that was filled with ignorance. He confessed that he had previously attended many Pastors' seminars but never learnt as much as he did in the 3 days Divine Principle workshop. He therefore wishes to attend a full seven day workshop to learn more.

All the other participants were also in praise of what they had learnt declaring that they must totally repent and start anew as they were living in sin otherwise they would never see heaven.
