

Family Church of Haiti's Tribal Messiahship Blessing at Jeremy Methodist Church

Theodule Paul
April 27, 2019

On Saturday, April 27, 2019, the Family Church of Haiti held a Tribal Messiahship Blessing Ceremony for 24 couples at the Methodist church in the city of Jeremy. Rev. Theodule Paul and his wife Fujiko Paul's objective for hosting this Blessing Ceremony was to provide to local tribal messiahs an opportunity and venue to bless their couples and contribute to the national goal of Blessing 4300 couples One in Marriage.

The event started with a seminar on Divine principle based on family values, family door of Heaven.

At the end of the ceremony, there were one remark: by Pastor. Pierre-Louis, the Pastor of the Methodist church. That address was followed by a song of congratulations and three cheers of Mansei, and then a group photo was taken.

We encourage all the Tribal Messiahs to follow up with their tribal members and continue to educate them so that they can complete the five steps of the change of their blood lineage.

The whole program started at 10:00 AM and ended around 4:00 PM.

Everybody who came was very happy and really inspired. We thank God and True Parents for giving us the opportunity to make a radical difference in people's lineages.
