Teresa Rischl
November 22, 2018

Today, we *give thanks* for all of the amazing people who have made and supported this movement. Our **student leaders** who have worked so hard to make a difference on campus. Our **volunteers** who support them and give them hope. Our **mentors and faculty advisors** who give guidance and wisdom. And, **all of you**, for supporting and loving CARP and the students!

God bless, and have a very *Happy Thanksgiving!*
