

CARP USA Midwest Workshop: Becoming a Global Citizen - Benton Harbor, MI

Teresa Rischl
December 11, 2019

The Midwest chapter of the Collegiate Association for the Research of Principles (CARP) is hosting its annual winter retreat in Benton Harbor, Michigan from January 9-11, 2020. With the theme of "Becoming A Global Citizen," CARP will be using the Hyojeong Promise to define the ways you can become a person of impact in your family, community, and the world.

Hyojeong Promise:

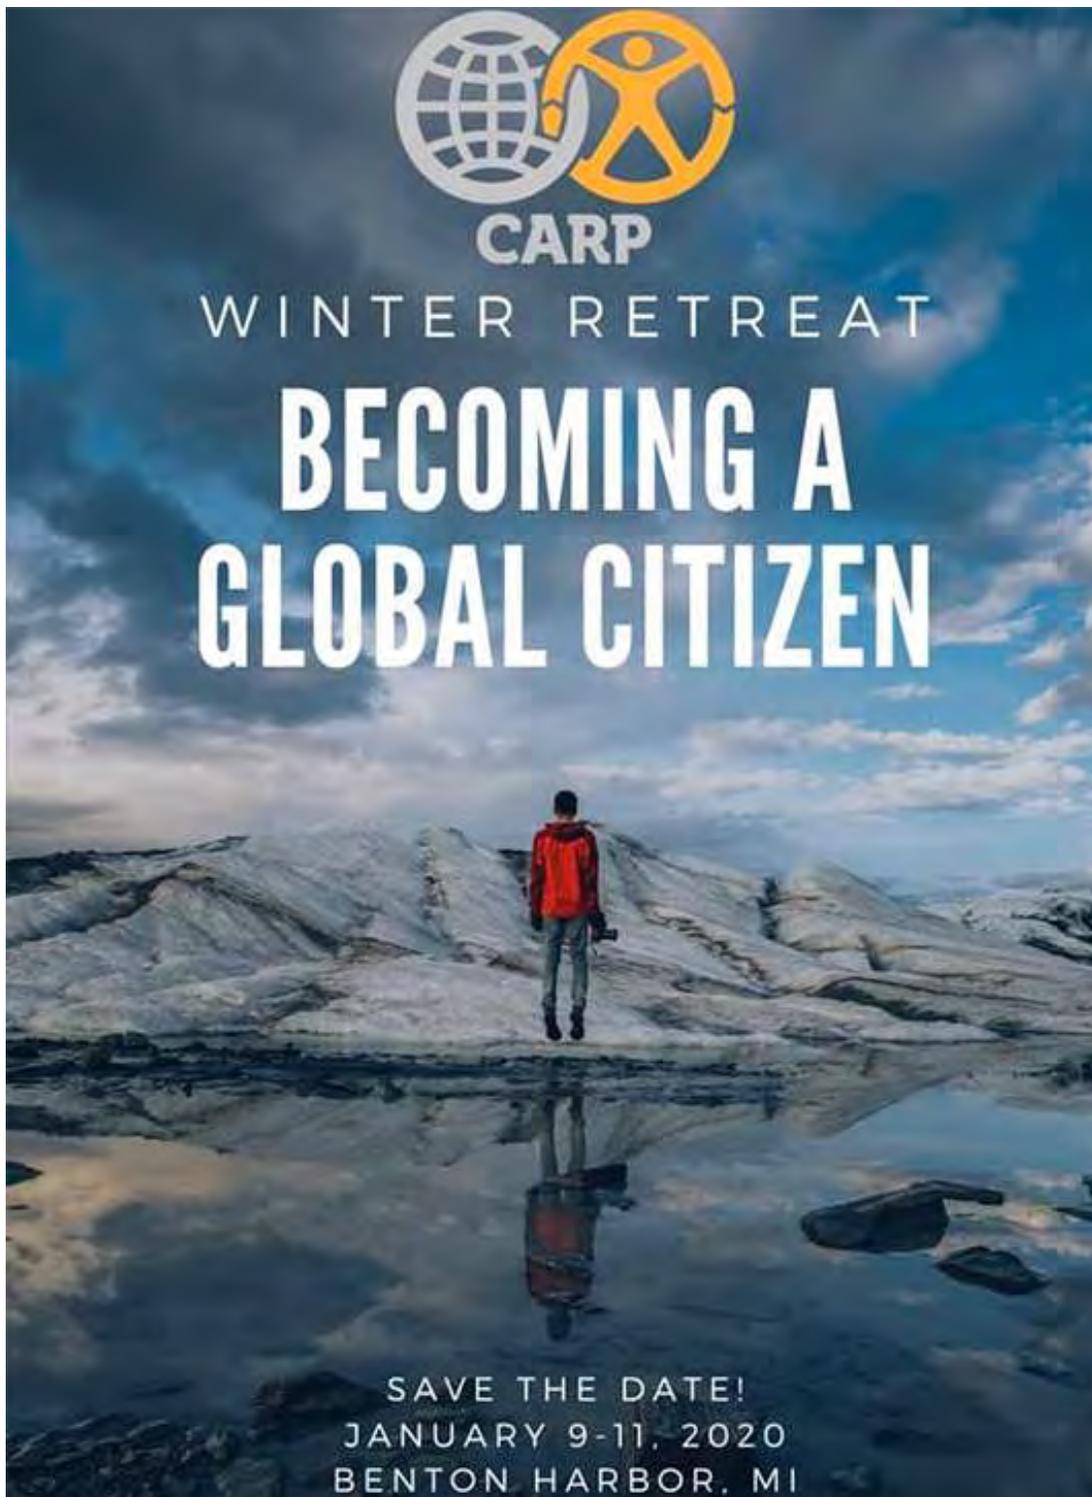

1. A living, thriving, personal relationship with God, my Heavenly Parent.
2. Integrity, purity, and fidelity for my marriage and future family.
3. Positively impacting humanity and the world around me.

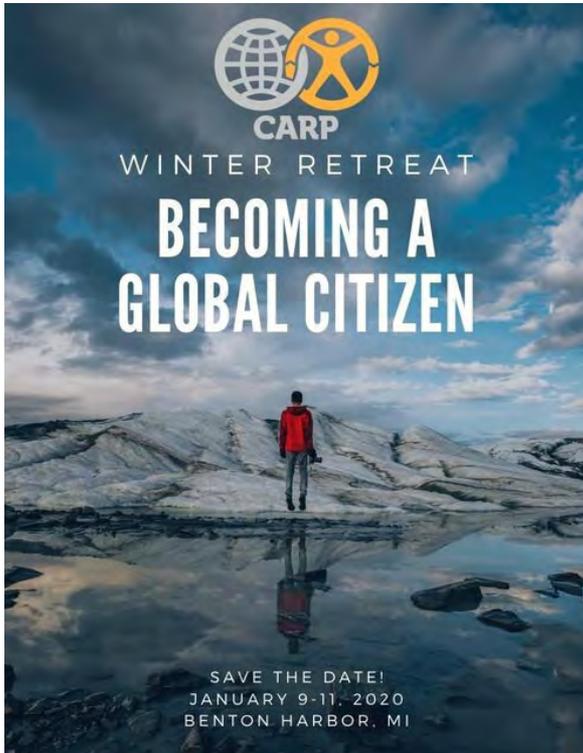

Guest speakers Gerry Servito and Josue Kisile will give insightful talks on these topics. There will also be meaningful discussions, activities, and opportunities to meet CARP members from the Midwest!

There is a fee of \$45 per person.
