

Marriage Works Series

"Building the kingdom one family at a time"

Marriage Works Series Registration Form

BFM Canada is very happy to present Marriage Works Series with Debby Gullery.

This will be a bi-weekly affair starting on May 4th (may the fourth be with you!), at 8:30pm EST. The series consists of 3 semesters and each semester will feature 4 sessions with Debby. First semester will be on Communication; the second semester – The 4 “F” words in Marriage; the 3rd semester – Marriage as a Spiritual Practice. This series will be available to both Canada and US families.

We believe that improving the relationship between husband and wife will have a positive effect on their relationship with their children, and more importantly, it will also positively affect the children’s view of the Blessing. Consequently, if the husband-and-wife relationship needs work, it will negatively impact both their relationship with the children, and children’s view of the Blessing.
