It was not possible to be at Madison square garden without spiritual guidance. When I heard that True Mother was coming to New York, I had already made up my mind that I was not going to the event. After I went to a Japanese workshop in January in Las Vegas, I didn't want to incur any further debt until I had recovered financially.

On June 27, however, as I was reading the Chambumo Gyeong it was as if someone was speaking to me to let me know that I must go to this event. From then on, I was on a mission, trying to go to Madison Square Garden. Then, numerous people helped me so that I could come to New York and see True Mother.

I knew absolutely nothing about New York. I was able to catch the bus from LaGuardia airport and ride the subway downtown to the Macy's near Madison Square Garden. What a once-in-a-lifetime experience for me. I felt as if the angels were helping me get where I need to be. I don't know how to explain what I felt. I just knew that this must be the spiritual realm helping me, so I could come and see True Mother.

It was truly an honor to be at Madison Square Garden. True Parents showed enormous love. Thank you, Heavenly Parents, True Parents, and our only begotten daughter, our True Mother.
