## END OF SERVICE

### Hun Dok Hwe Reading: 1 Corinthians 9:24- 27

Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize.

Everyone who competes in the games goes into strict training. They do it to get a crown that will not last, but we do it to get a crown that will last forever.

Therefore I do not run like someone running aimlessly; I do not fight like a boxer beating the air.

No, I strike a blow to my body and make it my slave so that after I have preached to others, I myself will not be disqualified for the prize.
