On January 25, 2018, in Islamabad with the presence of 1,500 students coming from 40 different schools and dignitaries from various fields the YSP [Youth and Students for Peace] Pakistan was successful launched. One Member of Parliament and other three VIPs received the Ambassador for Peace Award.

The audience was captivated by the Pure Love presentation and the Pure Love Pledge.

We all witnessed the power of the victorious foundation laid by our True Mother. As True Mother promised at the African Summit to move forward with absolute faith and unity with True Parents. We could see how people's heart were touched by the words of our True Parents. It was an incredible experience for all of us. People's heart just opened up.

Even though our foundation in the nation of Pakistan is still very small, but centered on the absolute faith of the local National Leader Binod Paudel, and his desire to fulfilling his promise to True Mother, the Spiritual World could come down and people came and attended the event with passion and full attention.

We are so grateful for the encouragement given by True Mother and the victorious event we just witnessed in Senegal. We believe absolutely on what True Mother declared to us, things are ready we just need to do our portion of responsibility, then miracles and blessings will come everywhere in the world.

We are so grateful for all the support and prayers received from all members around the world.
