

# Bye Bye party for the Middle East Youth Envoys

Mai 11,2018

On May 11, 2018 a bye bye party was organised for the Middle East Youth Envoy group and Umberto & Marilyn Angelucci, Chair couple of the Middle East Region.

The organizers were the Viennese CARP members who made a great effort to express their thankfulness to the youth volunteers for their investment in Vienna before and after True Mother’s visit. They served as the MCs and put together an entertainment program consisting of songs in different settings. The members of MEYE, Umberto & Marilyn and others joined the entertainment.

Many guests of the young people attended the program, because they wanted to meet their friends once more.
