

WFWP Middle East's virtual celebration of UN International Women's Day

Marilyn Angelucci
March 5, 2021

It has been said only too many times that we are going through challenging situations, yet, these are probably also situations to let us reconsider our lifestyle and the effect that it has on us and on the people around us.

Join us for an enriching talk in how to discover the best in ourselves and in the people we encounter!

Date 10 March 2021, 4pm CET
