①Third Monthly Forum for Ambassadors for Peace hosted by UPF Türkiye

In the Middle East region of the Heavenly Europe and Middle East continent, various organizations are conducting diverse witnessing, blessing, and educational activities.

②Israel CheonBo Special Workshop, missionary activities

The Family Federation in Israel continues witnessing activities centered on the Jerusalem HJ Center, testifying to True Parents. In particular, they are providing opportunities for deep spiritual experiences through CheonBo special workshops, while visiting blessed families to pray together and convey comfort and hope.

The Universal Peace Federation (UPF) in Türkiye held the 3rd monthly Ambassadors for Peace forum under the theme "Alliance of Civilizations."

At this forum, Ambassador for Peace Dr. Feza Başar and Director Yoshihiro Yamazaki explained Head-Wing Thought based on True Parents' teachings and the role of women in realizing peace.

③Hyojeong Leadership Education in Lebanon

The Family Federation in Lebanon continues to provide Hyojeong leadership education for new members, focused on True Parents' life course and ChamBuMoRon. New members attend weekly, sharing True Mother's new teachings. Participants continue to express their moved hearts and testimonies of grace through these educational opportunities.

Additionally, as a humanitarian activity to help the underprivileged, they received a large donation of water bottles and are delivering them to areas in need of emergency support.

④Emergency support of water bottle donations in Lebanon

Furthermore, as part of preparations for the World Summit, activities are underway to invite former heads of state, parliamentarians, religious leaders, and other prominent senior figures from the Middle East.
