IRAN: Internal and Outreach Activities

- ✓ The National Leader couple, including members, participated at the online event: the CheonBo Great Works
- ✓ Developed a Persian Webpage with all recent speeches of True Mother and True Father in local language.
- ✓ Held weekly Sisters Gathering. Held a 21-minute prayer, including a Call Names Prayer to bring back former and inactive members. This was a time to connect, strengthen relationships, and deepen our understanding of True Parents life course.
- ✓ Held the weekly Sunday service, bringing the community together for reflection and spiritual growth.

Lebanon – Hyo Jeong Leadership Workshop

- A series of Divine Principle and Chanbumoron Lectures was delivered in Lebanon, which aimed to deepen participants' understanding of the core teachings of the Divine Principle, focusing on topics such as the purpose of life, the nature of human beings, and the principles of restoration.
- These series included teachings of True Parents Life, ChanBumoron and our attitude as leaders in the Era of CIG. The content was well-received, with a growing interest in further educational opportunities to explore these spiritual concepts in more depth. These 4 new members are our precious future leaders in the Lebanese Movement.

Jordan

FFWPU

- ✓ **Forgiveness Ceremony Holy Wine:** Nine participants attended the Forgiveness Ceremony, experiencing the deep significance of forgiveness.
- ✓ **Upcoming Witnessing Session:** This Thursday, the National Leader will hold an awareness session focused on witnessing, encouraging more people to connect with True Parents and the Blessing.

Preparation for Korea:

- One First Generation received the visa and is ready to attend the Blessing in Korea, during the Opening of the Cheon Won Gung in April 2025.

Cyprus

FFWPU:

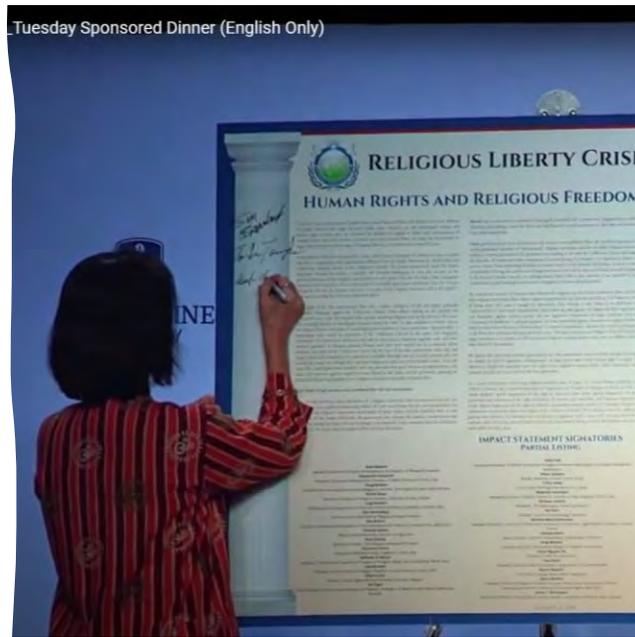

- The national leader held a CBR session with at least nine participants to introduce and discuss the significance of ChamBumoRon.

The presentation covered insights from Korean lectures and the study being conducted by the Academicians for Peace.

Given the participants' prior knowledge, the discussion was engaging with many questions. One participant expressed interest in starting a regular study, which will be followed up on after March 10.

Preparing the Environment for Witnessing

UPF & SYRIA

- ✓ **World Summit 2025** : David Fraser Harris is managing the last preparations to make sure all the VIPs will attend the special events in Korea.
- ✓ **UPF Establishment in Syria**: Recently in collaborating with a local NGO we started the process to open the Syrian Chapter of UPF. We hope that with the opening of a local UPF office we can bring the love of our True Parents to local people.
