Come join us for our next "Open House" at 4W 43rd St., Saturday October 24, 10:00am-12:00pm.

The Unification Theological Seminary (UTS) has launched an ad in Positive Community in the October issue, both print and online. Positive Community is the only faith-based lifestyle magazine targeting the African American market in the New York/New Jersey area.

Positive Community (<http://thepositivecommunity.com>) publishes the best of what is happening in the Black church and community. It was the vision of the co-founders, Jean Nash Wells and Adrian A. Council, to create a balanced medium that accurately reflects the community-building efforts of churches, small businesses, corporations and concerned individuals. Now in its 16th year of publication, Positive Community continues to grow in circulation and influence. The magazine has a circulation of approximately 48,000.

UTS is actively recruiting for the Spring Semester beginning February 1, 2016.

There will be an upcoming Open House on Saturday October 24th, 10:00 AM -12:00 PM at the UTS Manhattan location, 4 West 43rd St. New York City.
