Special Opportunity: 2017 Pyeongae Scholarship in North America

This is a special scholarship True Mother is providing through the Hyo Jeong World Peace Foundation (formerly Wonmo Pyungae) to support young students and encourage them to pursue a public lifestyle while in higher education. FFWPU-USA has decided to match the grant from Korea to allow more North American students to enjoy this opportunity.

The original deadline for this application is this Sunday, January 15, but we are extending it to Friday, January 20, to give more people the opportunity to apply.

Please encourage those you know who qualify in any of these categories to apply through the website: familyfed.org/hyojeong/usa/

Thank you all, and God Bless,
