

## WFP Kenya's service project at Christian Restoration Children Centre

Susan Kone  
January 26, 2016

Our community service project took place at the Christian Restoration Children Centre on January 26, 2016 for 150 children. And this time, the Chief Guest was Mrs. Preet Kaur a Woman Leader and an Ambassador for Peace from WFP UK. The center is situated in Kayole in the outskirts of Nairobi. This event was initiated by Bishop and Mrs. Maurice Adum of the Christian restoration church as a way of assisting the families from the slum areas of Matopeni, Kayole.

The program started with an entertainment which followed by a lecture in Guidance for the children. The Director Bishop Maurice thanked the WFP for the visit and requested their partnership in terms of guidance and counseling, character education for the children which will create a strong social impact in the communities.

WFP Kenya gave some gifts of Toys and Dolls to the participants and Mrs. Preet also offered some donated biscuits and sweets. The Director thanked Mrs. Preet and WFP Kenya Chairperson Mrs. Susan Kone for the event and also for the donations which brought a big smile to the children.

It was a very joyful and happy event for all the children and so a new partnership with the institution was established.
