Dear brothers and sisters,

Camp Sunrise is selling off its assets to help pay for last year's camp budget deficit. This Saturday morning and Sunday afternoon, the camp will be open to anyone interested in salvaging camp assets. Please come prepared to give some donation for anything that you want to claim. The Camp Sunrise Board will be facilitating the distribution. This is your only chance before the camp is turned over to the new tenant! Please contact Alex Beebe at 973-951-2541 with any questions and for further details.

Saturday April 1 (9am - 2pm) and Sunday April 2 (2pm - 6pm)

Please note there is no running water or working toilets.
