March 26, 2018

Dear brothers and sisters,

Good afternoon!

I wanted to remind you all of tonight's special event at Training Center, Belvedere at 6:30PM.

Mrs. Gil Ja Sa Eu (Mrs. Eu, widow of the first President of HSA-UWC, Mr. Eu) will be visiting to speak of the topic: **Inheriting the Victory of Danbury.**

The programs will include intro and short remarks by Mrs. Eu.

Mrs. Eu will comment on current events, encourage new lecturers, do a Q+A session, and have the chance to meet individual members.

All brothers and sisters from Westchester and the upper regions of District 2 are invited.

I encourage all our members to come receive the message of our elder sister as this will be a very special opportunity.

Thank you.

Sincerely,

Dr. Kone
