[www.belvederfamily.com/sermons](http://www.belvederfamily.com/sermons)

A note about our upcoming guest speaker.

Every September, in commemoration of 9/11, the Belvedere community has recently been inviting a Muslim leader to share about how Muslims and other faith communities can live in peace together in America. This year, Mayor Champagne is our guest speaker.

Mayor Joseph Makhandal Champagne, Jr., Esq. is the former mayor of South Toms River, NJ. He is a member of the Nation of Islam but has also received the Ambassador for Peace award from the Universal Peace Federation. He has spoken at UPF events in the past and has been inspired by Father's teachings. Last year he attended the International Leadership Conference by UPF that was held at East Garden. During that program he toured East Garden and was very inspired. At that time Dr. Kone invited him and he agreed to be a guest speaker at our services.
