

## II Shim Graduation at Belvedere

Drissa Kone  
June 7, 2019

A group of 22 young Unificationists participated in an II Shim graduation on Saturday, June 1 at the Belvedere Training Center in New York.

II Shim, Korean for "one heart," helps young Unificationists grow their lives of faith, deepen their understanding of Unificationist traditions, and discover ways to serve their local communities. II Shim curriculum also emphasizes developing parent-child relationships and creating a space to discuss important topics such as life and faith.

By completing the II Shim program, these young Unificationists are beginning their journeys of self-discovery and setting strong foundations for their relationships with God and True Parents.

Congratulations to II Shim participants on your graduation!
