Good evening BFC!

Thank you to everyone who came to our call on Saturday about the Offering Table. In response to that meeting, we would like to send out all the contact information so that you can report and offer what you have accomplished!

For ACLC work, (any ministers that you are talking to and churches you are visiting) please contact Julia Okamoto at juliokamoto@yahoo.com to report any of your church activities.

For any tribal messiahs, vertical (when you liberate 430 ancestors) and horizontal (when you bless 430 people), please contact Marina Falconi at falconi1275@gmail.com.

If you have done any community service and would like to offer it up, please email Andy Morris at andypoetryandart@gmail.com. In addition, please contact Andy if you are subscribed to the Washington Times.

If you are a social influencer in any area (whether its academics or media/social media with over a thousand followers) please contact Denthew Learey at denthew@gmail.com. In addition, please contact Denthew if you have subscribed to Godible.

Lastly but certainly not least, please contact Masae Joseph at masae.joseph@gmail.com to report any matching, or blessing prospects and candidates.

If you have any questions please contact either Denthew [Learey] or Dr. Kone

Sincerely,

The BFC staff
