

## **Belvedere Family Church: Corona Virus: Please refrain from visiting White House**

Drissa Kone  
April 7, 2020

Dear BFC,

It has been informed that a tenant of the White House has tested positive of the corona virus.

The tenant is no longer in the house but for safety, we ask that you refrain from visiting the White House until the end of April.

Please stay safe and take care of yourselves during this crucial time.

Thank you.

Sincerely,

Dr. Kone
