Welcome Back to Belvedere

Outdoor Afternoon Service

Sunday, August 16, 2020

5 PM

This Sunday we will be having an afternoon outdoor service at the Belvedere Training Center.

We realize that Covid is still a major concern and we will be observing distancing and other health precautions. Hand sanitizer will be available. Masks should also be worn.

If you are feeling ill, have been in contact with anyone with virus symptoms, or have other health related concerns then you

should not attend.

The service will be recorded and will be made available on our website.

There will be chairs in the parking lot and plenty of room on the lawn to spread out. Feel free to bring blankets for seating on the lawn.
No refreshments will be served (bring your own water).

We will have a great time with fellowship, music, and singing and a message from Dr. Kone.

(Since there will not be any video projection, song words can be viewed on your phone by going to belvederefamily.com/songs).

In case of rain, the date may be postponed, stay tuned to emails on Sunday morning for weather announcements.

Don't forget, if you are unable to attend our Sunday programs at Belvedere, video recordings are available on our website at

belvederefamily.com/sermons.

New recordings are usually posted within the week.
