May 15, 2022

WFWP Ireland together with the Sisters of Faith for Peace held a Family Peace and Interfaith Walk and Picnic, and marked the UN Day of Families which takes place annually, on 15 May 2022.

We had a lovely diverse group of people from Muslim, Christian, Jewish and Unificationist background, celebrating our common values and belief in the family.

Together, we walked a loop walk in the beautiful Marley Park in Dublin and enjoyed a picnic on the green. We really enjoyed just connecting and being together in such a relaxing and friendly way, and building bridges of friendship across the boundaries of the different faiths.

Thanks again to all those who supported this event!
