It was a beautiful Sunday morning on October 4, 2015, when Seattle Unificationists celebrated a marriage rededication ceremony at the Day Star Baptist Church in Renton, Washington. The host pastor and officiant were Pastor Donald Ward Sr. and his wife, Mary Ward. Pastor Ward gave a wonderful Divine Principle-centered sermon on the family titled "The Enemy of the Families," in which he talked about five enemies of churches and families and encouraged all married couples to be transparent with their belief in their daily family life.

A simple ceremony followed in which six couples rededicated their marriage. The day concluded with pictures and a celebration cake.
