America is often referred to as a melting pot. However stark divisions have appeared along political, moral, and racial fault lines. How is it possible to de-escalate the rhetoric? Media has played a role in creating the current atmosphere of demonization; can it also help us to gain a more balanced perspective?

Please join us as panelists Dr. Chris Foreman, Network lead for Deliberation Gateway and Braver Angels Ambassador; Dr Frank Kaufmann, President of the Twelve Gates Foundation and founder of The Settlement Project, and Cheryl Wetzstein, Senior Advisor, Times Global Media Group and former reporter, The Washington Times weigh in on this vital issue and discuss possible solutions.
