One of the participants expressing her appreciation for the workshop. She promised to make a lot of effort to practice what she learned during the two days workshop.

A participant explains how the Divine Principle has helped her understand her role as a wife and the effort she has to make to for a successful marriage. She said that through the teaching she realized that women have very important part to play and should always pray for their families and not repeat the fall after receiving the blessing. She also asked the NL to express her thanks to our True Parents for sending such a truth which she believe will turn their lives around.

Rev. Mwanga appreciated everyone for turning out and caution the blessed couple to observed the 40-days separation and reminded them to be faithful to their wives.

This workshop was a great success and a an offering from Liberia to True Parents and Heavenly Parent.
