For the past 50 years, our Unification missionaries have been diligently working throughout Africa on behalf of True Parents; overcoming the challenges of learning new languages, adapting to diverse cultures, and navigating obstacles and illnesses. In the 1970s, precious new members called by Heaven through dreams and revelations began joining us, dedicating their youthful lives to the heavenly mission. As time progressed, these devoted early African members were blessed in holy marriage, and today it is their beautiful children and grandchildren that attend Sunday Services, their radiant faces shining with joy and hope. Shin Africa has pledged 1,800 of these youth as promising marriage candidates who eagerly anticipate the Blessing event scheduled in April 2025.

Our beloved Holy Mother Han, who met many of these precious youth during her visits to Africa in 2018 and 2019, has expressed a deep desire to meet them again in Korea. She earnestly wishes to educate and elevate them to leadership positions in Heavenly Africa. To achieve this noble goal, we are making every effort to bring 210 second-generation YSP leaders from Africa to Korea, where they will have the invaluable opportunity to live closely with our True Mother, receiving the esteemed Top Gun training.

The Kevin Winter Foundation, founded by Fortune Winter, son of 1975 missionary Kevin Winter, has been promoting the Shin Africa Appeal from President Jean-Pierre Kadima. Kevin Winter Foundation has successfully raised \$50,000 as part of a global outreach fundraising effort, contributing to the total financial goal of \$350,000 (less than \$2,000 per candidate).

A GoFundMe page has recently been created to further support this cause. Please see the link below. I invite you to especially enjoy at the beginning of the link, the heartfelt love song performed by "One Voice, New Era" the 2nd Gen music group from Cameroon. They won second place last summer during True Father's 12th Seonghwa Anniversary music competition.

The focus of the Go Fund Me outreach is to support the 210 YSP youth leaders that True Mother has personally requested to come to Korea for Top Gun training. We aspire to comfort True Mother through supporting their sincere fundraising efforts in Africa, where they have only modest returns of under \$50 per day. Your generous contribution plays a critical role in making this vision for Shin Africa a reality. Thank you in advance for your support and generosity.

Together let's make True Parents' and Heavenly Parent's Dream Come True,

Dear Global Blessed Families:

As you may be aware, we are living in the Golden Era together with True Mother, the Only Begotten Daughter. As a family, we are invited and blessed to join the Grand Entrance of the Cheon Il Sanctum of Cheon Won Gung in April 2025—the place and time where our Heavenly Parent finally returns Home, to dwell within the Kingdom of Heaven on Earth. Our beloved True Mother has devoted all her focus and effort to make this possible, and she has prepared for this day with great anticipation. She has emphasized that this should not only be a day to welcome our Heavenly Parent, but also a day to bring all His children, as many as possible, to join together with her to be embraced by Him.

The Blessed members of Shin Africa are deeply moved, and to honor her request, have resolved to offer the following:

*We commit to the successful matching and blessing of **1,800 single candidates who will receive the Cosmic Holy Blessing this April 2025.** We additionally commit to bring **210 CIG/HyoJeong Rang youth leaders** to Korea to meet our beloved True Mother in person.*

Dear Global Blessed Families, this is a very big goal for Shin Africa. The fact is we have more than 4000 youth of single age. For valid and understandable reasons, many of them find it challenging to walk the path to the Blessing. However, this year with our motto, “no one left behind,” the Blessed Families throughout Africa are volunteering and actively participating across Africa in a special task force. They are reaching out to embrace and inspire our young people, introducing them to the loving heart of Heavenly Parent and True Parents; educating them in their identity; and encouraging those ready, to join in the upcoming Cosmic Blessing.

We feel urgent! At this time, African members are working hard in the field together with the active power of the spiritual world. A very big challenge is the urgent need for substantial funds to support this Great Offering. Various initiatives have been set up on the regional levels with donations, fundraising projects, and business endeavors. For the Top Gun and HyoJeong Rang youth leaders who are among the Blessing candidates, we seek to afford them the opportunity of traveling to Korea and meeting our beloved True Mother and also take part in the 2025 Pilgrimage.

Therefore, we are launching a campaign to raise \$350,000 to fund this initiative. We need the help of our Global Family! Please—your support will ensure this sincere effort to make possible the Blessing of our next gen couples in Africa. We have so far raised \$80,000. We humbly request your participation by a donation of whatever amount you are able; and if possible, on a monthly basis through April 2025.

Please click on the “Donate Now” link, then select the amount and recurrence. We deeply appreciate any contribution your can make. Your contribution will enable the following:

- Support the organization and logistics for the Special Task Force members reaching out to the youth, especially in rural areas
- Sponsor workshops and blessing preparation for candidates, especially for those who despite their sincere efforts, cannot meet the fees
- Assist the Blessing Event Committee to organize regional Blessing Ceremonies across Africa, making sure every young Blessing Couple will feel God’s joyful embrace
- Assist the expenses of the CIG Youth Leaders traveling to Korea to join the Cosmic Blessing with True Mother, and be able to participate the Holy Pilgrimage

Blessing with true mother, and be able to participate the holy pilgrimage

We are especially hoping to that those precious first missionaries who brought True Parents to Africa might desire to take part in this historic harvest with us, where we can finally bring to the Altar the fruits of all their incredible sacrifice and efforts. We express our gratitude to the Original 1975 Missionaries, the later National Messiahs, the caring Itinerary Workers, and all following missionaries that have visited over the last 50 years. Thank you for making the powerful foundation of True Parents in Africa upon which we stand today! Your sacrifice and your dedicated efforts have made it possible for Africa to join our beloved True Mother in this Golden Era. Your donation will have a profound impact!

Thank you for your generosity and continued support.
With deepest gratitude and blessings,

Rev. Jean Pierre M. Kadima
Africa Regional President
