June 1, 2016

FFWPU Cote d'Ivoire - In the midst of the month of May, after a special workshop on Heavenly Tribal Messiah guided by Rev. Kathy Rigney our Special Emissary, in Abidjan, Rev. Philbert Seka president of FFWPU Congo launched a 21 Days devotion to prepare for the blessing of at least 2000 pre married couples and set up foundation to raise up 10 Heavenly Tribal Messiahs before end of this year. That startup devotion is based on True Parents' call on September 17, 2015 to bless many families and restore at least 7 nations by year the 2020.

With the support and the encouragement of Rev. Rigney, and Dr. Cho, Regional President, West Africa Region, President of FFWPU Congo gathered 12 teams of 3 people per team with a total of 36 "Heavenly Soldiers" to go to 12 tribes. The teams were set up with 12 leaders from national headquarters, 12 young pastors and 12 blessed families who live in the tribes.

And as True Father said: "...When the bee sucks the nectar of the flower even if you cut his belly, she will not move until she get what she wants..." our blessed families will go on to bring everything back to Heavenly Parent and True Parents. After 21 days, the teams blessed **784** Couples.

For the next campaign a total of 500 blessed families will be working in 500 tribes and bless at least 36 couples each by the end of 2016.
