

Appreciating Iowa Family Church's Pastor Carl Swearson

Daniel Eston
November 12, 2016

I'd like to thank our pastor in Iowa who was a former district pastor. He continues to remain God-centered on his mission in this time of trial our church is going through. He always shows up and does his responsibility even when many of us fall behind in ours. I would say we rely on him, maybe even too much!
