- What about relationships? Are good ones possible?
- If there's a God, why is life so difficult most of the time?

You may have seen the various mentions of the Create A Life You Love Divine Principle intro program that is taking place every two weeks online, and is available for all members to bring their new friends. This is the perfect opportunity for you to invite any and every person you know who might be even a tiny bit searching for something new in their life.

This online meetup is only one hour and includes a short presentation with Divine Principle content, followed by small discussion groups for easy sharing, then connecting everyone back together in the meeting for large group sharing. The goal is that everyone leaves feeling refreshed and wants to know more.

See the latest flyer above. Just Click on it and Save It where you can find it and forward it to your friends.

Or just send them the registration link: www.21stCenturyPeace.com
Please invite all those whom you think might enjoy this simple, warm intro to our movement.
