**By FFWPU Benin:** On April 30, 2016 in one of 77 Benin main cities, called Zogbodomey (125 Km from Cotonou) we held official launching of Tribal Messiahship Blessing Campaign under the supervision of Special Emissary for Africa, Mrs. Katheryne Rigney. She and her assistant, Mrs. Evelyn Winter welcomed by all the members and participants.

This event was the first Tribal Blessing after the launching of Tribal Messiahship in Benin on April 17, 2016. We had 100 participants and among them 36 Couples participated for the blessing of marriage.

The mayor of the City, Mr. David Z. TOWEDJE who sponsored the event joined the Blessing with all of his staff. He gave a very nice speech at the event showing his support for the event.

The Sub-Regional President, Dr. Paterné ZINSOU was at the event with his wife and gave a lecture on Family Value and Blessing Ceremony. And the blessing ceremony officiated by Rev. and Mrs. Emmanuel ALLOGNON president of FFWPU Benin.

After the Blessing the Mayor was nominated as Ambassador for Peace. He testified that among all

distinction he received, Ambassador for Peace Awards is the one who moved him much. He reaffirms his determination to work with FFWPU and UPF for various projects in his city. The Mayor gave his full support to make very successful event.

Through this first experience, we realized once more that we are in a period of harvest like True Mother explained. The globalization of Blessing becomes reality.

The fire from Asia embraces Africa from Nigeria and has already reached Benin. We sincerely pray that the Blessing spread very quickly everywhere for quick realization of Vision 2020. All Tribal Messiahship Groups are working to bring blessing in their areas.
