### Caravan of Peace

As part of the Peace activities in Zogbodomey commune, a Caravan of Peace was initiated to reinforce the culture of peace in the whole commune comprising 11 districts and 80 villages.

In addition, a peace embassy was established in the commune in the presence of the Mayor on March 26, 2018.

Activities already conducted during the caravan included:

Collecting 12,000 Signatures of a Declaration of Peace (Content Attached)

Communal Communion of Leaders for Peace with 75 participants on March 16, 2018.

Call for the reconciliation of the three great political leaders of the commune for the peace and the sustainable development of the Commune.

Caring people with Korean Therapy of the Hands

Two Blessing Festivals

10 students from the Abomey Calavi University sent as trainees (in the areas of dietary nutrition and nature pharmacy) to the Heavenly Tribal Messiah Center in Zogbodomey and they took part in the caravan of Peace.

The caravan will continue from village to village with the signing of the peace declaration, the blessing festivals, the Korean hand therapy and the opening of shops of natural health and well-being in some villages.
