

Benin's 2-Day Seminar for Religious Leaders on Principle and Blessing in Dassa

Emmanuel Allognon

October 10, 2018

A 2-day seminar was organized for Religious Leaders in Dassa on October 9 and 10, 2018.

The seminar brought together 54 religious leaders from 12 different religious congregations, and was led by our National Leader, Rev. Emmanuel Allognon and the National Manager for the Department of Heavenly Tribal Messiah, Mr. Degbey Pascal.

The religious leaders understood the messages in depth, signed a peace resolution with the mayor, and pledged to receive the blessing of marriage very soon. The parish priest gave a very good impression. We felt that all the barriers are broken. There is no longer any obstacle to Principle and Blessing. This is the victory of True Parents.
