### Seminars

As part of the Divine Principle Seminars and the Blessing for the Religious Leaders, we organized a tour in northern Benin for 7 days.

Our team, who led this education and blessing tour, included the Special Envoy to Benin, National Leader and his wife, and Director of the Heavenly Tribal Messiah Department in Benin.

We held two seminars on November 6 and 9, 2018, in Kandi, with 86 participants and in Parakou, with 137 participants. Total of 223 participants from various religious denominations listen to Divine Principle lectures.

Participants were moved very much. These seminars confirm that all barriers are broken and we are living in a new era where all spheres can be quickly connected to True Parents.
