We held a workshop and blessing ceremony in the commune of Ouinhi, which brought together with 55 participants on December 15, 2018. And our National Leader Rev. Emmanuel ALLOGNON and his wife G nevi ve educated and officiated the blessing ceremony for 18 Couples.

It was an atmosphere of joy and happiness, which we could see, developed among all the participants. All the couples were very committed from the beginning to the end of the blessing.
