During the Sunday General Service on April 7, 2019, we have introduced 6 new victorious Heavenly Tribal Messiahs who have completed the Blessing of 430 Couples. These are couples: BOLAYOLO Jean Denis and Nafissatou, KOUEYI Franck and Jocelyne, DAKOUO Dieudonne and Odette, AHO Donald and Clementine, DEGBEY Marc and DORO, and COLLETER Christian and Pilar

To invite and mobilize couples for the event, our blessed families had for the most part adopted the strategies such as Support of the Chefs Villages or Town districts and Support of people in John the Baptiste's position.

Rev. and Mrs. Allognon Emmanuel, resident of FFWPU Benin congratulated the 6 victories Heavenly Tribal Messiahs.

The new victorious Heavenly Tribal Messiahs and other blessed families who participated the service, were very moved and re-determined themselves for the fulfillment of their mission giving the word of life and blessing of marriage to all the people.
