Emmanuel Allognon
July 25, 2019

We held a Divine principle seminar for Comè's Religious leaders on July 24, 2019 which was followed by a blessing of marriage for three religious leaders and their wives on July 25, 2019.

The three essential parts of the Divine Principle as well as the papers on social development and sexuality were the subject of the seminar led by our Special Envoy, Rev. Sasaki, National Leader Rev. ALLOGNON and Director of Heavenly Tribal Messiah Mr. Pascal DEGBEY.

At the end of the seminar participants expressed their satisfaction and wished that such seminars be repeated for a better appropriation of the developed themes.

It was an opportunity for the National Leader to reflect on the latest True Mother events in South Africa to inspire Religious Leaders to prepare for the national blessing on November 2nd, 2019.
