Dear National Leaders,

Day before yesterday we forwarded to you information regarding recruiting students to participate in the Universal Peace Academy program instituted by True Mother to raise leadership for our global Movement from amongst those under 30 years of age.

We want to make you aware that the time period for making an initial 'Entrance Application' is very limited – the deadline for the application form and accompanying documents to arrive in Korea is 15th July.

We ask you to urgently consider if there are possible candidates from amongst those under 30 years of age in your nation.

To help you in this task we provide below a brief summary of the information contained in the 2013 UPA 1st Class Recruitment Handbook (see below).

If you consider you have possible candidates please read the handbook yourself (attached) and pass this summary and the handbook to such possible candidates with your encouragement and assistance as appropriate.

Yours sincerely,

Tim Miller and Peter Staudinger
