

Sunday Service with Rev An

Paraplu, Utrecht, 20th October 2013

Rev. An read from True Mother's True Father's Seung Hwa speech and Divine Principle, and then spoke of the importance of understanding and keeping one's position. At the end of the service, Hans Campman delivered the Blessing Prayer.

After a delicious lunch by Rudi & Thea Rijntjes, with celebration cake by Donna Martijn - for Pres. An's visit and 6,000 Couples Blessing Anniversary - we watched MBCNET Korean TV Broadcast - English version narrated by Dr. Balcomb - Rev. Sun Myung Moon, A Life Dedicated to Peace and Unification -

<http://vimeo.com/76967428> - and Rev. An continued his theme from the morning service, adding that Korean traditional culture was a preparation for the Second Coming, but with the failure of Christians in Korea to recognize Father, and the allies allowing Korea to be divided and those who had collaborated with the Japanese remaining in power in all areas of post war South Korea, that traditional culture had been lost in Korea, and Unificationists worldwide had become the true Koreans, true inheritors of that culture.
