Dear European National and Community Leaders,

As you are aware from 3<sup>rd</sup> to 4<sup>th</sup> December UPF and WFWP will be co-hosting a European Leadership Conference in Paris at UNESCO Headquarters with the support of some national delegations to UNESCO under the title:

**Eurasia and Europe: Cooperating for a Culture of Peace and Human Development.**

This Conference involves a very meaningful collaboration between our European Region and the Eurasian Region and will bring Dr Chang Shik Yang and Dr Thomas Walsh to Europe, as well as a delegation from Japan led by Dr Yong Cheon Song.

In addition the level of VIP speakers and the engagement with national delegations to UNESCO and UNESCO officials represent a potentially important step forward in True Parent's Vision 2020 efforts to advance Cheon Il Guk, a world of lasting peace.

Not surprisingly at such a significant moment, there are those who do not yet understand True Parents' contribution and heart who seek to limit the positive impact of this event.

**Twelve Day Prayer Condition**

Please ask members in your nation or community to join in a twelve day prayer condition from 24<sup>th</sup> November (Sunday) to 5<sup>th</sup> December in order to provide protection and ensure that this European Leadership Conference fulfils the hopes of our Heavenly Parent.

Yours sincerely,

Tim Miller and Peter Staudinger
