

True Father, in the spirit world, is always with us. He exists without corporeal form, but he will never leave our sides even for a moment. What do you think he desires from us at this time? It is to march forward without pausing. God's providence must continue until all people are centered on True Parents and a culture of heart overflowing with love and peace takes root, establishing a new order. Moreover, on the basis of the victory of Foundation Day, we should further advance to offer great glory to Heaven and to True Parents and to instill great hope in the world, to continue throughout history.

Dear European Unification Family Members,

We are so grateful to True Father and True Mother who continued to lead us in the Spiritual World and Physical World in this first year of Cheon Il Guk. Their unity and dedication has been our guiding light as we seek to emulate them in advancing the providence in our nations and world towards Vision 2020 by undertaking our responsibility as Tribal Messiahs.

This coming year 2 of Cheon Il Guk (2014) we look forward to celebrating the 50th Anniversary of the arrival of the first missionaries who established a foothold for the providence centering on True Parents here in Europe.

We want to thank you all for your devotion and sincerity during this first year of Cheon Il Guk and to wish you a wonderful True Heavenly Parent's Day and first Anniversary of Foundation Day.
