50 Years of the Unification Movement in Europe Make your contribution to the commemorative video Creative Challenge Contest

Dear European Brothers and Sisters,

Your opportunity to express your gratitude, your hopes and vision in a unique and creative way and contribute to the official 50th Anniversary Video!

Create a 15 second video clip about any one of the following topics:

- **Thanks:** Express your gratitude to our Heavenly Parents and True Parents for their love, vision and guidance in a creative way
- **Congratulations:** Congratulate our Unification Movement in Europe on its 50th anniversary.
- **Passing our Tradition:** Show the process of passing on our traditions through a creative exchange of meaningful words or symbolic actions between first and second and even third generations.
- **Hopes:** How can and should we shape the next 50 years? Share your hopes and ideas for the future of our movement.
- **Give:** Thank someone in our movement who is special to you and say how they have helped or supported you

The best 5 video clips will be included in the official 50th Anniversary Video.

We will also produce a film of the videos you contribute which will definitely be a source of inspiration for us all.

Specifications:

- make it uplifting and creative
- contribute as a family or community or circle of friends
- format: 15 seconds video clip with sound (voice / music) or picture slide show with voice / music
- deadline: August 1, 2014
- video format: best in mp4 (other formats also okay)
- send the file or download link to the European Office

Yours sincerely,

Tim Miller and Peter Staudinger
European Office
