Internal Preparation for celebrating the 50th Anniversary of FFWPU Europe

At our recent European Leaders' Meeting in Neumuhle, Bad Camberg we made a plan to celebrate the 50th Anniversary of FFWPU Europe on a European level either in late April or early June 2015. This will be an opportunity for Blessed Families and FFWPU members from all over Europe to gather in the Frankfurt area for a day of gratitude, celebration and dedication in the presence of our Heavenly Parent and our True Parents.

Further information will be shared as these plans take shape and special guests, venues, dates and programs are finalized.

President An suggests that all Nations, Communities and Blessed Families make their own plans to offer appropriate Jeongseong Conditions in preparation for Foundation Day and up-coming Holy Days with the mind and heart to also prepare to celebrate the 50th Anniversary of FFWPU Europe.

Please discuss this with the membership in your Nation or Community.

Thank you for your continuous efforts to advance the providence.

Yours sincerely,

Tim Miller and Peter Staudinger
