### **Memo to European members planning to come to the Limburg event with Sun-jin Nim**

Young Shik An

April 22, 2015

---

Hello everybody,

We are very happy to welcome Sun-jin Nim and In-sup Nim, our World President and Vice President on occasion of their first visit in this capacity to Europe. This is a very significant event and we want to give them our full support. The Hall in Limburg, where they will speak, has 800 seats and we really want to fill the hall. This is only possible with your support! Please inspire brothers and sisters and try your best to come.

The event in the City Hall of Limburg will take place on Thursday, 14th of May. Doors are open by 09:30. The event will start at 10:30 with a pre-program of slide show and music. Sun-jin Nim is expected to speak by 11:00. The event will end at about 13:00 after a half hour performance by the Little Angels. There is a restaurant in the City Hall for having your lunch but also plenty of food outlets in the nearby hold city quarter (where you find the dome on top of a hill), since the Hall is right in the middle of the city.

Address for the City Hall:

Stadhalle Limburg

Hospitalstrasse 4

65549 Limburg

For parking, please refer to the following map:

There is limited space in Park House 3 called "Tiefgarage Stadhalle/Rathaus".

The Other Park Houses should be fairly empty since this Thursday is a holiday in Germany.

For busses (but for cars as well) go to Parking Lot 32 called "Parkplatz Marktplatz"; there you will find plenty of space for any sized car/bus. It is a 10 min walk to the city hall.

All participants are required to register with their national leader, who then will indicate the number of participants in the following google spreadsheet:

The Little Angels will have a full performance the same day at the

Jahrhundertalle Frankfurt

Pfaffenwiese 301

65929 Frankfurt am Main

Doors open at 17:00

Beginning of a two hour performance 18:00

Please get your tickets from: [www.little-angels-korea.dance](http://www.little-angels-korea.dance)

And indicate the number of participants in the same google spread sheet:

We have only very few places free for accommodation in our Neumühle / Camberg. If you stay overnight, please look for possibilities in Limburg, Bad Camberg or nearby. Limburg is 70 km away from the Jahrhunderthalle Frankfurt.

Have a safe journey. We look very much forward to welcome you in Limburg!
